1. Statement of intent

- 1.1 At Educate Together Academy Trust, we understand that good behaviour and discipline are essential for promoting a high-quality education.
- 1.2 Amongst other disciplinary sanctions, the school recognises that suspension and exclusion of pupils may be necessary where there has been a serious breach, or consistent breaches, of the school's Behaviour Policy.
- 1.3 Suspending or excluding a pupil may also be required in instances where allowing the pupil to remain in school would be damaging to the education and welfare of themselves or others; in all cases, suspending or excluding pupils should only be used as a means of last resort.
- 1.4 The Trust has created this policy to clearly define the legal responsibilities of the headteacher, governance and LA when responding to pupil suspensions and exclusions, to ensure that they are dealt with both fairly and lawfully, and in line with DfE statutory guidance.
- 1.5 This policy also aims to secure a pupil's right to an education despite having been suspended or excluded, by ensuring that appropriate arrangements are in place.

2. Definitions

- 2.1 A **"suspension"** is defined as the temporary removal of a pupil from the school for behaviour management purposes. A pupil may be suspended for one or more fixed periods, up to a maximum of 45 school days in a single academic year. A suspension does not have to be for a continuous period.
- 2.2 An **"exclusion"** is defined as the permanent removal of a pupil from the school, in response to a serious breach or persistent breaches of the school's Behaviour Policy, and where allowing the pupil to remain in school would seriously harm the education or welfare of the pupils or staff in the school.
- 2.3 **"Headteacher"** includes Executive Headteacher but not Head of School.
- 2.4 **"Governance"** includes Trustees and Local Governors. Delegation of duties for the different roles is set out in this policy.
- 2.5 **"The Trust"** refers to Educate Together Academy Trust
- 2.6 **"The School"** refers to each of the schools in Educate Together Academy Trust.

3. Ethos and values

3.1 We are committed to following all statutory exclusion procedures to ensure that every child receives an education in line with the core principles of ETAT:

- **Equity-based:** Through being equitable in our work, all children and staff will have equal access to their rights and, regardless of background, all will be equally respected.
- **Aspirational:** All of our children have the right to a holistic world class education. All of our work aims to ensure that every child can make progress and achieve well in every aspect of their education.
- **Child-centred:** Children are at the heart of every decision and activity. Their voices are actively sought and listened to. They play a lead role in shaping their education.
- **Collaborative:** Our schools aim to be central to the communities they serve. As such, we look for opportunities to give voice to and work in partnership with all stakeholders of the schools.

3.2 Principles applied to this policy, based on ETAT's Core Principles:

- Children who are permanently excluded from school are likely to have poor educational outcomes and poorer prospects for adult life when compared with their peers. As such, permanent exclusion will only be considered as a last resort and usually only after all other reasonable interventions have been exhausted.
- The Trust recognises that children from certain backgrounds disproportionately represented in national statistics relating to suspensions and permanent exclusion:
 - The suspension rate for FSM eligible pupils is 4 times that for non FSM eligible pupils. The permanent exclusion rate for FSM eligible pupils is 0.09, compared to 0.02 non FSM eligible (DfE Spring term, 2022-23)
 - The rate of suspensions among those pupils who have an education, health and care plan (EHC plan) is 6.98, which is lower than for those with SEN without an EHC plan (SEN support) at 8.04. This compares to 2.18 for pupils with no SEN. The rate of permanent exclusions among those pupils who have an education, health and care plan (EHC plan) is 0.07, which,

like suspensions, is lower than for those with SEN without an EHC plan (SEN support) at 0.12. This compares to 0.02 for pupils with no SEN (DfE Spring term, 2022/23)

- The suspension rate for male pupils is higher than for female pupils, with small variation in the gap from term to term. Male pupils also have a higher permanent exclusion rate than female pupils, with permanent exclusion rates of 0.05 and 0.02 respectively (DfE Spring term, 2022/23)
- For different ethnic backgrounds, there are large variations in exclusion and suspension rates.

3.3 The school will not discriminate against pupils on the basis of protected characteristics, such as race or disability, and will give particular consideration to the fair treatment of pupils from groups who are vulnerable to exclusion.

3.4 Disruptive behaviour can be an indication of unmet needs. Where there are concerns about a pupil's behaviour the first steps will be to identify whether there are any causal factors and intervene early in order to reduce the need for a subsequent exclusion. The school will give consideration to a multi-agency assessment that goes beyond the pupil's educational needs.

3.5 All pupils who return to school following a suspension will be subject to a reintegration process that will include a meeting with the parent and child prior to their return to their class. This meeting will include an agreement with the pupil on managing their future behaviour.

3.6 The school will take reasonable steps to set and mark work for pupils during the first five school days of a suspension.

3.7 Where parents / carers dispute the decision of the Local Governing Body not to reinstate a permanently excluded pupil, they can ask for this decision to be reviewed by an independent review panel to be arranged by the Trust

3.8 Looked After Children is an official government term and the LAC acronym is widely used among professionals. However, the Trust recognises that being referred to in this way can make children feel stigmatised and othered. In favour of more positive and child-centric language, this policy will use the terms Children in Care and Child in Care instead.

 - Attend the hearing and make oral representations to the panel.
 - Be represented.
- Circulating copies of relevant papers at least five school days before the review to all parties.
- Giving all parties details of those attending and their role, once the position is clear.

- Attending the review and ensuring that minutes are produced in accordance with instructions from the panel within the timeframe of the policy.

5.5 The headteacher is responsible for:

- Implementing good levels of discipline to ensure all pupils can benefit from the opportunities provided by education and to minimise potential suspensions and exclusions.
- Applying the civil standard of proof when establishing the facts in relation to a suspension or exclusion.
- Complying with their statutory duties in relation to pupils with SEND when administering the suspension or exclusion process, as outlined in the Special Educational Needs and Disabilities (SEND) Policy.
- Considering any contributing factors that are identified after an incident of poor behaviour has occurred, e.g. if a pupil has suffered bereavement, experienced bullying or has a mental health issue.
- Considering the use of a multi-agency assessment for a pupil who demonstrates persistent disruptive behaviour.
- Reviewing the effectiveness of suspensions and exclusions as sanctions, e.g. if a pupil has received multiple suspensions or is approaching the legal limit for suspensions in an academic year.
- Considering what extra support may be needed to identify and address the needs of individual pupils, particularly those with SEND, those eligible for FSM, children in care and those from certain ethnic groups.
- Engaging effectively with parents /carers in supporting the behaviour of pupils with additional needs.
- Determining whether a pupil will be suspended or excluded on disciplinary grounds.
- Adhering to their responsibilities when cancelling an exclusion before the governing board has met to consider whether the pupil should be reinstated. Withdrawing any suspensions or exclusions that have not been reviewed by the governing board, where appropriate.

- Ensuring any decision to suspend or exclude is lawful, rational, reasonable, fair and proportionate.
- Complying with the requirements of the Equality Act 2010 when deciding whether to suspend or exclude a pupil.

- Making the decision to suspend or exclude based on the evidence available at the time, regardless of any police investigation and/or criminal proceedings.
- Notifying a pupil's parents /carers without delay where the decision is taken to suspend or exclude the pupil, including the days on which the parents /carers must ensure the pupil is not present in a public place at any time during school hours, as well as any other necessary information statutorily required.
- Ensuring that all information provided to parents /carers is clear and easily understood.
- Notifying the Governance Officer and LA of their decision to exclude a pupil where appropriate, as well as the pupil's home authority if required.
- Notifying the governing board once per term of any exclusions in the headteacher's report to governors.
- Organising suitable work for excluded pupils where alternative provision cannot be arranged.

6. Grounds for suspension or exclusion

- 6.1 The school will only suspend or exclude a pupil where it is absolutely necessary, and where all other possible disciplinary sanctions, as detailed in the school's Behaviour Policy, have failed to be successful.
- 6.2 The following examples of behaviour may warrant the decision to suspend or exclude a pupil:
- Physical assault against a pupil
 - Physical assault against an adult
 - Verbal abuse or threatening behaviour against a pupil

- Verbal abuse or threatening behaviour against an adult
 - Use, or threat of use, of an offensive weapon or prohibited item
 - Bullying
 - Discriminatory abuse, e.g. racist, homophobic, biphobic, transphobic or ableist abuse
- 6.3 Pupils can be suspended on a fixed-period basis, i.e. for up to 45 school days within a year, or permanently excluded. Similarly, pupils can be permanently excluded following a suspension, where further evidence is presented. In all cases, the headteacher will decide whether a pupil will be subject to a suspension or an exclusion, depending on what the circumstances warrant.

7. The headteacher's power to suspend and exclude

- 7.1 Only the headteacher has the power to suspend or exclude a pupil from the school, and is able to decide whether either a suspension or exclusion is appropriate. All suspensions and exclusions will only be issued on disciplinary grounds.
- 7.2 The headteacher is able to suspend pupils where their behaviour is disruptive during lunchtime. All lunchtime suspensions will be counted as half of a school day. The headteacher is also able to consider a pupil's disruptive behaviour outside of the school premises as grounds for suspension or exclusion, in accordance with the school's Behaviour Policy.
- 7.3 When sending a pupil home following any suspension or exclusion, the headteacher will ensure that they exercise their duty of care at all times and will always inform the parents / carers.
- 7.4 Any decision made to suspend or exclude a pupil will be lawful, proportionate and fair, with respect to legislation relating directly to suspensions and exclusions and the school's wider legal duties, including the ECHR (European Convention on Human Rights). At all times, the headteacher will take into account their legal duties under the Equality Act 2010 and the 'Special educational needs and disability code of practice: 0 to 25 years', ensuring that they do not

discriminate on any grounds and will not increase the severity of a pupil's suspension or exclusion on these grounds.

- 7.5 The headteacher will apply the civil standard of proof when responding to the facts relating to a suspension or exclusion, i.e. that 'on the balance of probabilities' it is more likely than not that the facts are true.
- 7.6 The headteacher may cancel any suspension or exclusion that has already begun, or one that has not yet begun; however, this power will only be used if the suspension or exclusion has not already been reviewed by the governing board.
- 7.7 Where a suspension or exclusion is cancelled, the headteacher will notify the pupil's parents / carers, the governing board, the LA, and, where relevant, the virtual school head (VSH) and the pupil's social worker. The notification will also provide the reason for the cancellation. The headteacher will offer the pupil's parents / carers the opportunity to meet with the headteacher to discuss the circumstances that led to the cancellation of the exclusion, and the pupil will be allowed back into school without delay.
- 7.8 When a suspension or exclusion is cancelled, the governing board's duty to consider reinstatement ceases, and there is no requirement to hold a meeting to consider reinstatement.
- 7.9 Any days spent out of school as a result of a suspension or exclusion prior to it being cancelled will count towards the maximum 45 school days that a pupil can be suspended or excluded in an academic year. A permanent exclusion will not be cancelled if the pupil has already been suspended or excluded for more than 45 school days in an academic year or if they will have been so by the time the cancellation takes effect.
- 7.10 The headteacher will report the number of suspensions and exclusions that have been cancelled, alongside the circumstances around and reasons for cancellation, to the governing board once per term, to allow the governing board to have appropriate oversight.
- 7.11 The headteacher will not issue any 'informal' or 'unofficial' suspensions or exclusions, e.g. sending a pupil home to 'cool off', regardless of whether the parents / carers have agreed to this. The headteacher will not use the threat of

suspension or exclusion as a means of instructing parents / carers to remove their child from the premises.

7.12 All suspensions and exclusions will be formally recorded on the school's management of information system (MIS).

8. Factors to consider when suspending or excluding a pupil

8.1 When considering the suspension or exclusion of a pupil, the headteacher will:

- Allow the pupil the opportunity to present their case once evidence has been collected.
- Take into account any contributing factors that are identified after a case of poor behaviour has occurred, e.g. if the pupil's wellbeing has been compromised, or they have been subjected to bullying.
- Take into consideration whether the pupil has received multiple suspensions or is approaching the legal limit of 45 suspended days per school year, and whether suspension is serving as an effective sanction.
- Consider early intervention to address underlying causes of disruptive behaviour, including liaising with external agencies, to assess pupils who demonstrate consistently poor behaviour.

8.2 The headteacher will consider what extra support may be available for vulnerable pupil groups whose suspension and exclusion rates are higher, to reduce their risk of suspension or exclusion, including the following:

- Children in care
- Pupils eligible for FSM (Free School Meals)
- Pupils with SEND
- Certain ethnic groups

8.3 The headteacher will consider avoiding excluding children in care, those with SEMH (Social Emotional Mental Health) issues or pupils with an EHC plan. Where any member of staff has concerns about vulnerable pupil groups and their behaviour, they will report this to the headteacher, who will instigate a multi-agency assessment to determine whether the behavioural issues might be a result of educational, mental health or other needs and vulnerabilities.

- 8.4 Where SEND or SEMH issues are identified, an individual behaviour plan will be created using the graduated response. If the pupil continues to endanger the physical or emotional wellbeing of other pupils or staff, despite exhausting the graduated response process, then suspension or exclusion may be considered. In accordance with the Equality Act 2010, under no circumstances will a pupil with identified SEND or SEMH issues be suspended or excluded before the graduated response process has been completed.
- 8.5 Where a pupil with SEND or SEMH issues is excluded because of a SEND- or SEMH-related need that could not be met at the school, detailed records will be kept highlighting that these pupils are closely tracked and showing that the school has a close relationship with the pupil's next destination.
- 8.6 The headteacher will work in conjunction with the parents / carers of any pupil with additional needs to establish the most effective support mechanisms.

9. Preventative measures

- 9.1 Before taking a final decision to exclude, the headteacher will consider whether it is in the best interests of all parties to initiate off-site directions or managed moves as preventative measures to exclusion.

Off-site direction

- 9.2 The Board of Trustees may use their general powers to arrange for any registered pupil to attend at any place outside the school premises for the purpose of receiving educational provision intended to improve their behaviour. This is delegated to the headteacher.
- 9.3 The governing board and the headteacher will decide, in communication with the pupil and their parents / carers and the LA, whether off-site direction is an appropriate solution to manage a pupil's behaviour and avoid suspension or exclusion. Where all parties agree to this course of action, the school will work with the pupil and their parents / carers to discuss and agree a plan for the off-site direction, including a proposed maximum period of time that the pupil will be at the alternative provision and any alternative options that will be considered once the time limit has been reached, e.g. managed moves.

- 9.4 The governing board will notify parents /carers, and the LA if the pupil has an EHC plan, in writing with information about the placement no later than two school days before the relevant day.
- 9.5 The school will keep any off-site placements under review by holding review meetings at intervals deemed appropriate by the governing board; the governing board will ensure, where possible, that review meetings are convened at a time suitable for the pupil's parents / carers, and will invite parents / carers in writing to each review meeting no later than six days before that date. Where parents / carers request, in writing, that the governing board hold a review meeting, the governing board will arrange review meetings in response, as soon as is reasonably practicable, unless there has been a review meeting in the previous 10 weeks.
- 9.6 The governing board will decide at each review meeting whether the arrangement will continue and for what period of time; the meeting will also decide arrangements for further reviews. Reviews will be recorded in writing, including any decisions made regarding the placement.

Managed moves

- 9.7 Where it is thought to be in a pupil's best interest to transfer them to another mainstream school permanently, the headteacher will discuss this with the parents / carers of the pupil, and the LA if the pupil has an EHC plan – managed moves will only go ahead with the voluntary agreement of all parties involved, including the parents / carers and the admission authority of the new school.
- 9.8 The school will ensure that detailed records are kept of any decision to initiate a managed move, including evidence that appropriate initial intervention has been carried out.
- 9.9 The school will participate in information sharing with the pupil's new school, including sending data on prior and current attainment, academic potential and any risk management strategies. The school will also cooperate with the pupil's new school to create an effective integration strategy.
- 9.10 Parents / carers who have concerns that a managed move is being forced on them or who are unhappy with a managed move will be referred to the Complaints Policy and Procedure.

10. Duty to inform parents /carers

10.1 Following the headteacher's decision to suspend or exclude a pupil, they will immediately inform the parents / carers, or the excluded pupil if they are 18 or older, in person or by telephone, supported by email communication, of the period of the suspension, or permanency of the exclusion, and the reasons behind this.

10.2 The headteacher will inform the parents /carers in writing of the following:

- The reasons for the suspension or exclusion
- The length of the suspension or permanency of the exclusion
- Their right to raise any representations about the suspension or exclusion to the governing board, including how the pupil will be involved in this and how the representations will be made
- Their right to make a request to hold the meeting via remote access and how this request can be made
- Their right to attend a meeting where there is a legal requirement for the governing board to consider the suspension or exclusion, and the fact that they are able to bring an accompanying individual
- The arrangements that have been made for the pupil to continue their education prior to the organisation of any alternative provision, or the pupil's return to school
- Relevant sources of free, impartial information

10.3 Where the pupil is of compulsory school age, the headteacher will inform the parents /carers by the end of the afternoon session that for the first five days of the suspension or exclusion (or until the start date of any alternative provision or the end of the suspension, where this is earlier), parents /carers are legally required to ensure that their child is not present in a public place during school hours without justification, and that parents /carers may receive a penalty fine if they fail to do so.

10.4 Where the headteacher has arranged alternative provision, they will also inform the parents / carers of the following:

- The start and end date for any provision of full-time education
- The address at which the provision will take place

- Any information necessary for the pupil to identify the person they should report to on the starting date
- 10.5 Where the headteacher is unable to provide information on alternative provision by the end of the afternoon session, they will provide the information in a subsequent written notice without further delay, and within 48 hours of the pupil beginning the provision. If the alternative provision is due to begin before the sixth day of the suspension or exclusion, the headteacher is able to give less than 48 hours of notice, with parental consent.
- 10.6 If the headteacher has decided to suspend the pupil for a further fixed period following their original suspension, or to permanently exclude them, they will notify the parents / carers without delay and issue a new suspension or exclusion notice to parents / carers.

11. Duty to inform the governing board and LA

- 11.1 The headteacher will inform the governing board, without delay, of the following:
- Any permanent exclusions (including where a suspension is followed by a decision to permanently exclude the pupil)
 - Any suspensions which would result in the pupil being suspended for more than 5 school days in a term (or more than 10 lunchtimes)
 - Any suspensions or exclusions which would result in the pupil being absent from an examination or national curriculum test
- 11.2 For any suspensions and exclusions, other than those above, the headteacher will notify the governing board at least once in term 2, once in term 4 and once in term 6 (minimum 3 times per year).
- 11.3 The headteacher will inform the LA of all suspensions or exclusions, regardless of their length, without delay.
- 11.4 All notifications to the governing board and LA will include the reasons for suspension or exclusion and the duration of any suspension.
- 11.5 If a pupil who is suspended or excluded lives outside the LA in which the school is located, the headteacher will notify the pupil's 'home authority'.

12. Duty to inform social workers and the virtual school head (VSH)

- 12.1 When a pupil has been suspended or excluded, the headteacher will, without delay, notify the pupil's social worker, if they have one, and the VSH, if they are a child in care. This notification will include the period of any suspension and the reasons for suspension or permanent exclusion.
- 12.2 Social workers and/or the VSH will also be informed when a meeting of the governing board is taking place, and will be invited to attend the meeting should they wish to do so.
- 12.3 Social workers and VSHs will be allowed to join a governing board meeting or independent review panel via the use of remote access, as long as the arranging authority is satisfied they will be able to participate effectively, they can hear and be heard throughout the meeting, and their remote participation will not prevent the meeting being fair and transparent.

13. Arranging education for suspended and excluded pupils

- 13.1 For any suspensions of more than five school days, the governing board will arrange suitable full-time education for the pupil, which will begin no later than the sixth day of suspension. Where a pupil receives consecutive suspensions, these will be regarded as cumulative, and full-time education will still have to be provided from the sixth day of suspension. For exclusions, full-time education will be provided for the pupil from the sixth day of exclusion.
- 13.2 The governing board will not arrange full-time education for any pupil who is currently in their final year of compulsory education, and who does not have any further public examinations to sit.
- 13.3 The governing board is aware that it is beneficial to suspended and excluded pupils to begin their alternative education arrangements before the sixth day of suspension or exclusion; therefore, the governing board will always attempt to arrange alternative provision before the sixth day. Where it is not possible to

arrange alternative provision during the first five days, the school will ensure that they take reasonable steps to set and mark work for the pupil.

- 13.4 If a pupil with SEND has been suspended or excluded, the governing board will ensure that:
- Any alternative provision is arranged in consultation with the pupil's parents / carers, who are able to request preferences.
 - When identifying alternative provision, any EHC plan is reviewed or the pupil's needs are reassessed, in consultation with the pupil's parents / carers.

14. Considering suspensions and exclusions

- 14.1 The governing board will consider any representations made by parents / carers regarding suspensions and exclusions. **When appropriate, the board may form a suspension and exclusion panel with a minimum of 3 governors from across ETAT in order to fulfil these and other responsibilities detailed in this policy.**
- 14.2 Parents / carers and, where requested, a friend or representative and the headteacher will be invited to attend any consideration of suspensions and exclusions and will be able to make representations. Parents / carers can also invite a representative from the LA.
- 14.3 Any meeting to consider reinstatement of a pupil will be arranged at a date and time convenient for all parties, and in compliance with any statutory time limits. Parents / carers, and excluded pupils if they are over 18, will also be able to request that the meeting is held via remote access.
- 14.4 Where it is appropriate to the pupil's age and level of understanding, the pupil will also attend any consideration meeting, and will be enabled to make a representation on their own behalf if they desire to do so.
- 14.5 The governing board will consider the reinstatement of a suspended or excluded pupil, where:
- The exclusion is permanent.
 - The suspension is fixed-period, and would bring the pupil's total number of suspended school days to more than 15 in any given term.
 - The suspension or exclusion would result in the pupil missing a public examination.

- 14.6 In the case of a suspension where the pupil's total number of suspended days is more than 5 but less than 16 school days (this includes suspensions that exceed 15 school days by less than a whole day, e.g. one that totals 15.5 days) within a term, if parents / carers make representations, the governing board will consider suspensions within 50 school days of receiving the notice of suspension. If the parents / carers do not make any representations despite requesting the meeting, the governing board will consider the reinstatement on their own.
- 14.7 Where a suspension will take a pupil's total number of school days out of school above five but less than 15 for the term, and parents have not requested a governing board meeting, the governing board will not be required to consider the pupil's reinstatement but it will have the power to do so if it deems it appropriate.
- 14.8 Where a suspension will not bring a pupil's total number of days of suspension or permanent exclusion to more than five days in a term, the governing board will consider all representations made by parents / carers; however, the board cannot direct the reinstatement of the pupil and it is not required to arrange a meeting with parents / carers.
- 14.9 Where suspension or exclusion would result in a pupil missing a public examination, the governing board will consider the suspension or exclusion before the test to decide whether the pupil should be reinstated in time to take the examination.
- 14.10 If it is not practicable for a sufficient number of governors to consider the decision before the examination, a smaller sub-committee will consider the suspension or exclusion and decide whether or not to reinstate the pupil.
- 14.11 In light of the above, the governing board will also consider whether it would be appropriate to allow the suspended or excluded pupil to enter the premises to take the examination.
- 14.12 When considering the reinstatement of a pupil, the governing board will:
- Only discuss the suspension or exclusion with the parties present at the meeting.
 - Ask for any written evidence prior to the meeting.

- Circulate any written evidence and information to all parties, at least five school days in advance of the meeting.
- Allow pupils and parents / carers to be accompanied by a person of their choice to the meeting.
- Consider what reasonable adjustments need to be made to support the attendance and contribution of parties at the meeting.
- Identify the steps needed to enable and encourage the suspended or excluded pupil to attend the meeting and speak on their behalf, or how they may contribute personal views by other means if attendance is not possible.
- Consider the interests and circumstances of the pupil, including the grounds for suspension or exclusion.

15. Reaching a decision

- 15.1 After considering suspensions and exclusions, the governing board will either:
- Decline to reinstate the pupil.
 - Direct the reinstatement of the pupil immediately, or on a specified date.
- 15.2 If reinstatement would make no practical difference, e.g. if the pupil has already returned to school following a suspension or the parents / carers make clear they do not want their child reinstated, the governing board will still consider whether the pupil should be officially reinstated, and whether the headteacher's decision to suspend or exclude the pupil was fair, lawful and proportionate, based on the evidence presented.
- 15.3 The governing board will apply the civil standard of proof when responding to the acts relating to a suspension or exclusion, i.e. that on the 'balance of probabilities' it is more likely than not that the facts are true.
- 15.4 To reach a decision, the governing board will:
- Identify the steps they intend to take to ensure that all parties involved will have the opportunity to participate and present their views.
 - Ensure that minutes are taken of the meeting as a record of the evidence that was considered.

- Ask all parties to withdraw from the meeting before concluding their decision.
- Consider whether the suspension or exclusion of the pupil was lawful, proportionate and fair, taking into account the headteacher's legal duties and any evidence that was presented to the governing board in relation to the decision.
- Record the outcome of the decision on the pupil's educational records, along with copies, which will be kept for at least six months.
- In the case of permanent exclusions, inform the LA of the outcome.
- Make a note of their findings, where they have considered a suspension or exclusion but cannot reinstate the pupil.

16. Notification of considered suspensions and exclusions

- 16.1 The governing board will notify the parents / carers of the suspended or excluded pupil, the headteacher, and the LA (in the case of permanent exclusions) of their decision following the consideration of a suspension or exclusion, in writing and without delay.
- 16.2 In the case of exclusion, where the governing board decides not to reinstate the pupil, they will notify the parents / carers:
- That the exclusion is permanent.
 - Of their right for it to be reviewed by an independent review panel.
 - Of the date by which an application for review must be made.
 - Of the name and address of whom the review application should be submitted to.
 - That a request to hold the meeting via remote access can be made and how to do this.
 - That any application should set out the grounds on which it is being made and that, where appropriate, this should include reference to how a pupil's SEND is considered relevant to the exclusion.

- That, regardless of whether a pupil has been identified as having SEND, the parents / carers have a right to require the governing board to ensure a SEND expert attends the review.
 - Of the role of the SEND expert that will attend the review, and that the parents / carers will not be charged for this.
 - That they are required to make it clear if they wish for a SEND expert to attend the review.
 - That they may appoint someone at their own expense to make representations to the panel.
- 16.3 The governing board will also notify parents / carers that, if they believe a suspension or exclusion has been issued as a result of discrimination, then they are required to make a claim under the Equality Act 2010 to the First-tier Tribunal (SEND), and that this should be within six months of when the discrimination allegedly took place.
- 16.4 After any conclusion, the governing board will notify the parents / carers, and all other parties involved, of the decision that was made and the reasoning for this, in sufficient detail.

17. Removing excluded pupils from the school register

- 17.1 The headteacher will remove pupils from the school register if:
- 15 school days have passed since the parents / carers were notified of the governing board's decision not to reinstate the pupil and no application for an independent panel review has been received.
 - The parents / carers have stated in writing that they will not be applying for an independent panel review following an exclusion.
- 17.2 If an application for an independent panel review has been made within 15 school days, the headteacher will wait until the review has been determined, or abandoned, and until the governing board has completed any reconsideration that the panel recommended or directed it to carry out, before removing the pupil from the school register.

- 17.3 If a pupil's name is to be removed from the register, the headteacher will make a return to the LA, which will include:
- All the particulars which were entered in the register.
 - The address of any parent with whom the pupil normally resides.
 - The grounds upon which the pupil's name is to be removed from the register.
- 17.4 Any return to the LA will be made as soon as the grounds for removal are met and no later than the date in which the pupil's name was removed.
- 17.5 If a pupil's name has been removed from the register and a discrimination claim is made, the pupil may be reinstated following a decision made by the First-tier Tribunal (SEND) or County Court.
- 17.6 Whilst a pupil's name remains on the admissions register, the appropriate code will be used to mark the pupil's attendance:
- Code B: Education off-site
 - Code D: Dual registration
 - Code E: Absent and not attending alternative provision

18. Independent review panel

- 18.1 The Trust will review the governing board's decision not to reinstate an excluded pupil if the parents submit their application for this within the required time frame.
- 18.2 The Trust will constitute an independent review panel of three or five members that represent the following categories:
- A lay member to chair the panel. This individual will not have worked in any school in a paid capacity
 - A current or former school governor who has served for at least 12 consecutive months in the last 5 years
 - A headteacher or individual who has been a headteacher within the last 5 years
- 18.3 Parents / carers are required to submit their applications within:
- 15 school days of the governing board's notification of their decision.
 - 15 school days of the final determination of a discriminatory claim made under the Equality Act 2010.

- 18.4 Any application made outside of the above timeframe will not be reviewed. Parents / carers are able to request an independent panel review even if they did not make a case to, or attend, the governing board's initial consideration of the exclusion.
- 18.5 Parents / carers can request that independent review panels take place via remote access.
- 18.6 The Trust will adhere to all statutory guidelines when conducting an independent panel review, as outlined in the DfE's statutory guidance.

19. Appointing a SEND expert

- 19.1 If requested by parents / carers in their application for an independent review panel, the Trust (who may commission the LA) will appoint a SEND expert to attend the panel and cover the associated costs of this appointment. Parents / carers have a right to request the attendance of a SEND expert at a review, regardless of whether the school recognises that their child has SEND.
- 19.2 The Trust will make arrangements to indemnify the SEND expert against any legal costs and expenses reasonably incurred as a result of any decisions or actions connected to the review and which are taken in good faith.
- 19.3 An individual will not serve as a SEND expert if they have, or at any time have had, any connection with the Trust, school, parents / carers or pupil, or the incident leading to the exclusion, which might reasonably be taken to raise doubts about their ability to act impartially; however, an individual is not taken to have such a connection solely because they are an employee of the LA.
- 19.4 The SEND expert will be a professional with first-hand experience of the assessment and support of SEND, as well as an understanding of the legal requirements on schools in relation to SEND. Examples of suitable individuals include educational psychologists, specialist SEND teachers, SENCOs and behaviour support teachers.
- 19.5 Recently retired individuals are not precluded from fulfilling this role; however, during interview, the Trust will assess the knowledge of such individuals in order to ensure that they have a good understanding of current practice and the legal requirements on schools in relation to SEND.

- 19.6 Whilst individuals are not automatically taken to be partial simply because they are an employee of, or contracted by, the LA, they will not have had any previous involvement in the assessment or support of SEND for the excluded pupil, or siblings of the excluded pupil. The LA will request that prospective SEND experts declare any conflict of interest at the earliest opportunity.
- 19.7 The final decision on the appointment of a SEND expert is for the LA to make, but it will take reasonable steps to ensure that parents have confidence in the impartiality and capability of the SEND expert. Where possible, this will include offering parents a choice of SEND expert. In order to meet its duties within the statutory time frame, the Trust will consider maintaining a list of individuals capable of performing the role of SEND expert in advance of a request.
- 19.8 The Trust will determine the amount of any payment in relation to the appointment of the SEND expert, such as financial loss, travel and subsistence allowances.

20. The role of the SEND expert

- 20.1 The SEND expert's role is analogous to an expert witness, providing (orally and/or written) impartial advice to the panel on how SEND might be relevant to the exclusion. The SEND expert will base their advice on the evidence provided to the panel. The SEND expert's role does not include making an assessment of the pupil's SEND.
- 20.2 The focus of the SEND expert's advice will be on whether the school's policies which relate to SEND, or the application of these policies in relation to the excluded pupil, were legal, reasonable and procedurally fair. If the SEND expert believes that this was not the case, they will, where possible, advise the panel on the possible contribution this could have made to the circumstances of the pupil's exclusion.
- 20.3 Where the school does not recognise that a pupil has SEND, the SEND expert will advise the panel on whether they believe the school acted in a legal, reasonable and procedurally fair way with respect to the identification of any SEND that the pupil may potentially have, and any contribution that this could have made to the circumstances of the pupil's exclusion.

20.4 The SEND expert will not criticise a school's policies or actions simply because they believe a different approach should have been followed or because another school might have taken a different approach.

21. Appointing a clerk

21.1 The Trust will decide whether to appoint a clerk to the independent review panel, or to make alternative arrangements to administer the panel.

21.2 Where a clerk is appointed, the Trust will ensure that the clerk did not serve as clerk to the governing board when the decision was made not to reinstate the pupil.

22. The role of the clerk

22.1 The clerk's role is to provide advice to the panel and parties to the review on procedure, law and statutory guidance on exclusions.

22.2 The clerk will:

- Identify, in advance of the meeting, whether the excluded pupil wishes to attend the panel hearing, taking reasonable steps to enable the pupil to feedback their views, irrespective of their attendance.
- Identify, in advance of the meeting, whether any alleged victims of the incident leading up to the exclusion wish to attend the panel hearing, taking reasonable steps to enable them to feedback their views, irrespective of their attendance.
- Ensure that the panel is able to hear from any witnesses to the incident leading to the exclusion, taking into account the fact that some of these people may be pupils at the school. Pupils under 18 will not be allowed to appear in person without parental consent.
- Inform the parents / carers, headteacher and governing board that they are entitled to make oral and written representations to the panel, attend the hearing, and be represented.
- Ensure that all parties are:

- Provided with copies of relevant papers at least five school days before the review, notifying the panel if any requested documents have not been provided in case the panel wishes to adjourn until a later date.
 - Informed about who is attending the meeting, and what their roles are.
 - Attend the review and ensure that minutes are produced in accordance with instructions from the independent review panel.
- 22.3 Where a clerk is not appointed, the LA will undertake the functions outlined above.

23. The duties of the independent review panel

- 23.1 The role of the panel is to review the governing board's decision not to reinstate an excluded pupil. In reviewing the decision, the panel will consider the interests and circumstances of the excluded pupil, including the circumstances in which the pupil was excluded, and have regard to the interests of other pupils and people working at the school. The panel will apply the civil standard of proof, rather than the criminal standard of 'beyond reasonable doubt'.
- 23.2 Following the review, the panel will do one of the following:
- Uphold the decision
 - Recommend that the governing board reconsiders reinstatement
 - Quash the decision and direct that the governing board reconsiders reinstatement
- 23.3 The panel's decision does not have to be unanimous and can be decided by a majority vote. It is binding on the pupil, parents / carers, governing board, headteacher and the Trust.

24. Conducting governing board meetings or independent review panels via remote access

- 24.1 Parents / carers, or excluded pupils if they are 18 or older, will be able to request that governing board meetings or independent review panels are held via remote access; however, parents / carers and pupils will be made aware that this is not the default option.

- 24.2 Where a parent / carer or pupil makes a request correctly in line with instructions set out in the headteacher's or governing board's written notification, the governing board or LA will hold the meeting via the use of remote access.
- 24.3 Remote meetings and panels will be held in accordance with timelines for face-to-face meetings.
- 24.4 Where a request for a meeting to be held via remote access is not made, or the parent / carer or pupil does not state a preference, the meeting or panel will be held in person unless it is not practicable to do so.
- 24.5 If there is a reason related to extraordinary events or unforeseen circumstances, e.g. an outbreak of an infectious illness, which means it is not reasonable for a meeting or panel to be held in person, it may be held via remote access.
- 24.6 Meetings will only be held via remote access if the governing board or the Trust is satisfied that that the meeting can be held fairly and transparently. If this cannot be done, the governing board or the Trust will consult with the parent / carer to discuss how a face-to-face meeting can be arranged that will be convenient for them.
- 24.7 If there are technological or internet issues during a remote meeting which compromises the ability for participants to be seen or heard or prevents the meeting from being held fairly and transparently and it is not reasonably practicable to resolve, a face-to-face meeting will be arranged without delay.
- 24.8 When holding meetings or panels via remote access, the governing board or the Trust will:
- Comply with relevant equalities legislation.
 - Enable access to support which the parent is entitled to, including the presence of a friend.
 - Confirm with all participants that they have access to the technology that will allow them to participate in the meeting or panel.
 - Ensure all the participants will be able to put across their point of view and/or fulfil their function.
 - Ensure the remote meeting or panel can be held fairly and transparently.

25. Reconsidering reinstatement following a review

- 25.1 Where the independent review panel **instructs** the governing board to reconsider their decision not to reinstate a pupil, they will do so within 10 school days of being given notice of the review panel's decision.
- 25.2 The school is aware that if, following an **instruction** to reconsider, the governing board does not offer to reinstate the pupil, then the school will be required to make a payment of £4,000 directly to the LA area in which the school is located.
- 25.3 Where the independent review panel **recommends** that the governing board should reconsider their decision not to reinstate a pupil, they will do so within 10 school days of being given notice of the review panel's decision. The school is aware that if, following a recommendation to reconsider, the governing board does not offer to reinstate the pupil, it will not be subject to a financial adjustment. If, following reconsideration, the governing board offers to reinstate the pupil but the parents decline, no adjustment will be made to the school's budget.
- 25.4 Following reconsideration, the governing board will notify the parents / carers, headteacher and LA of their reconsidered decision and the reasons for this.

26. Criminal investigations

- 26.1 The headteacher will not postpone taking a decision to suspend or exclude a pupil due to a police investigation being underway, or any criminal proceedings that are in place.
- 26.2 Particular consideration will be given by the headteacher when deciding to suspend or exclude a pupil where evidence is limited by a police investigation, to ensure that any decision made is fair and reasonable.
- 26.3 If the governing board is required to consider the headteacher's decision in these circumstances, they will not postpone the meeting and will make a decision based on the evidence available.

27. Training requirements

27.1 The Trust will ensure that all independent review panel members and clerks have received training within the two years prior to the date of the review. Training will cover:

- The requirements of the legislation, regulations and statutory guidance governing suspensions and exclusions.
- The need for the panel to observe procedural fairness and the rules of natural justice.
- The role of the chair of a review panel.
- The role of the clerk to a review panel.
- The duties of headteachers, governing boards and the panel under the Equality Act 2010.
- The effect of section 6 of the Human Rights Act 1998 and the need to act in a manner compatible with human rights protected by that Act.

27.2 Clerks will also have an up-to-date understanding on developments in case law which are relevant to suspension and exclusion.

28. Using data

28.1 The headteacher will ensure that all data regarding suspensions and exclusions is collected and provided to the governing board at least 3 times a year. The governing board will review this data regularly in order to:

- Consider the level of pupil moves and the characteristics of pupils who are moving on any permanent exclusions to ensure that this is only being used as a last resort.
- Gather information on pupils who are taken off the roll and those who are on the roll but attending education off-site.
- Consider the effectiveness and consistency in implementing the Behaviour Policy.
- Understand any variations in the rolling average of permanent exclusions to ensure they are only used when necessary.
- Understand the characteristics of suspended and excluded pupils and evaluate equality considerations.

- Gather information on where pupils are receiving repeat suspensions.
- Evaluate interventions in place to support pupils at risk of suspension and exclusion, including where there are patterns which may indicate that certain policies and support measures are or are not working.
- Analysing whether the placements of pupils directed off-site into alternative provision are reviewed at sufficient intervals to assure that the education is achieving its objectives.

28.2 The Trust will:

- Determine whether there are any patterns of suspensions and exclusions across schools within the Trust.

29. Monitoring and review

29.1 This policy will be reviewed annually by the Trust.
